**Other**

# iPhone

Please select the method you would like to use for accessing your account from the options below:

[APP \(Downloadable Application from iTunes\)](#)

[WAP \(Mobile Browser\)](#)

[SMS \(Text Banking\)](#)

# iPhone Downloadable Application

You can download and register for the TouchBanking App either directly through the iTunes store or through home banking.

In order to register directly through the iTunes store, you will need to know our TouchBanking App Code. If you have this code, click [here](#) for further instructions.

If you do not have the App Code, you can register and download the TouchBanking App through home banking. Click [here](#) for further instructions.

## [Is My Phone Supported?](#)

Click on this link to see if your phone supports the downloadable application. If you do not see your phone, you may still use the SMS & WAP services.

# iPhone APP – Register Through iTunes Store

Search within the iTunes store for the application **TouchBanking**.

Click on the Free and Install App button.

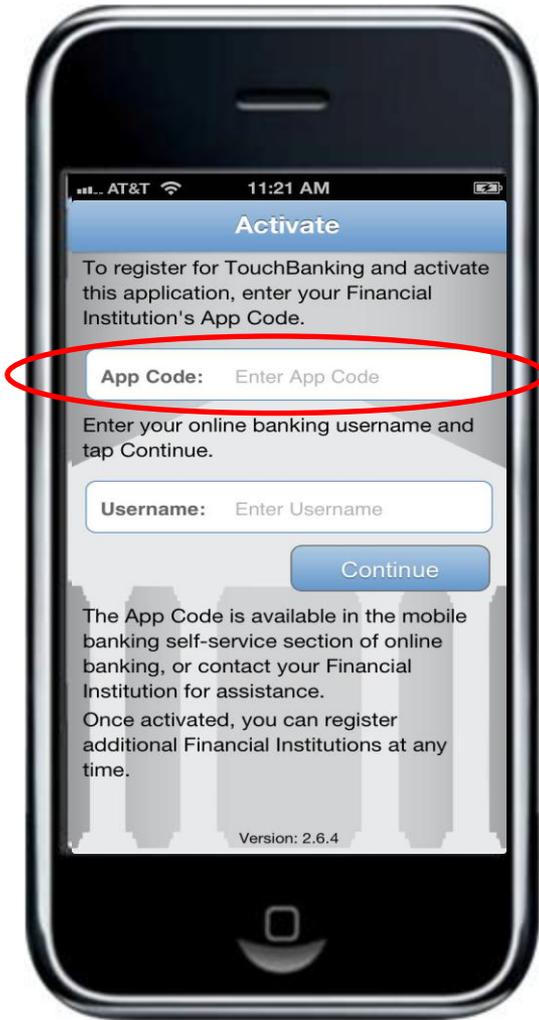

# iPhone APP – Register Through iTunes Store

After the TouchBanking app has been installed, select the application from the home page.

# iPhone APP – Register Through iTunes Store

To register and activate the application for first time use, simply enter our credit union's App Code along with your home banking username.

Subsequent usages of the TouchBanking application will not require the input of the App Code.

For more information on how to access other services, please select from the options below:

[APP \(Downloadable Application from iTunes\)](#)

[WAP \(Mobile Browser\)](#)

[SMS \(Text Banking\)](#)

# iPhone APP – Register Through Home Banking

You can access our App Code by logging into home banking and selecting the mobile banking service screen. The App Code will be shown on this screen along with an option to have a text message sent that will contain a link to download the TouchBanking application. Record this App Code as it will be needed to register the application.

## Mobile Setup

[Not sure? Click here to compare the services](#)

### Downloadable Apps

Get a customized application for your device that provides an intuitive and rich user experience consisting of easy-to-navigate screens and menus. Receive all the benefits of mobile browser banking, enhanced by your device's unique features.

 **For your phone** [View screenshot](#)

On your device, open Google Play or the App Store and search for **TouchBanking**, or click either of the download images below. On your mobile? Click the appropriate icon to go directly to the store:

**IMPORTANT!** After you download the TouchBanking application, you will need to enter this App Code to activate it:

## creditdemo1

 Available on the **App Store**  GET IT ON **Google play**

### Other Services

Please select the services required and click continue to register.

Mobile Browser (I'd like to receive a link to Browser Banking.)

 **Why Use Mobile Browser Banking?** [View screenshot](#)

Get full and extended mobile banking capabilities on your web-enabled device. Receive an optimal banking experience with a look and feel that is similar to PC-based online banking, in a site designed to fit neatly into your device's screen.

Text Messaging (I'd like to use text banking services.)

 **Why Use Text Banking?** [View screenshot](#)

Send text commands (such as BAL) to your bank from your SMS-enabled phone to inquire about basic account balance and transaction history information. Receive text message responses directly to your phone.

# iPhone APP – Register Through Home Banking

If you requested the link to download the application, click on that link and your phone will be sent to the iTunes Store and the TouchBanking app will be shown.

Click on the Free and Install App button.

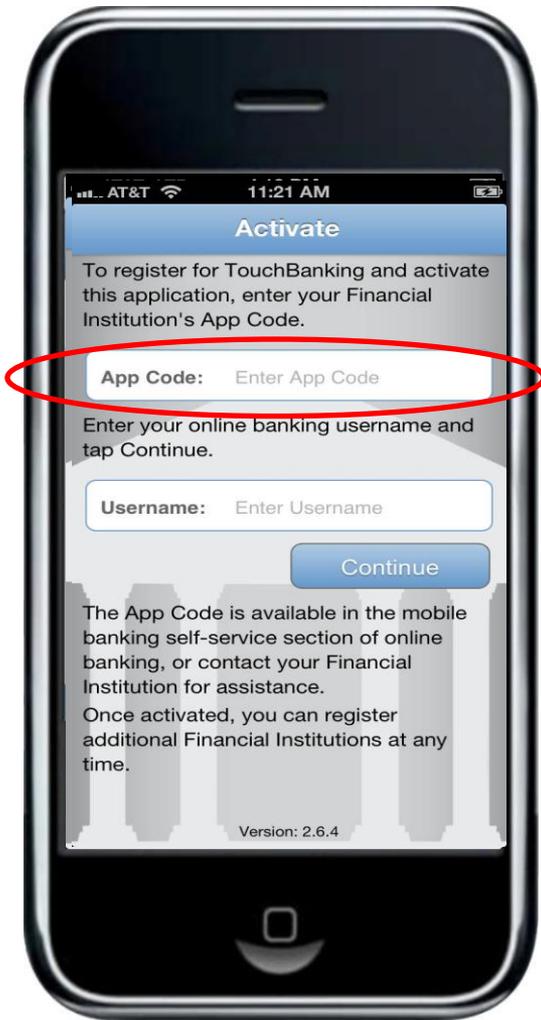

# iPhone APP – Register Through Home Banking

After the TouchBanking app has been installed, select the application from the home page.

# iPhone APP – Register Through Home Banking

To register and activate the application for first time use, simply enter our App Code along with your home banking username.

Subsequent usages of the TouchBanking application will not require the input of the App Code.

For more information on how to access other services, please select from the options below:
