SELECTION PROCESS

Radius Federal Credit Union will send all applications to a committee. They will review and evaluate each application and select our scholarship recipients. ESSAY

Please use a separate sheet of paper to discuss the following topic. Your response should be between 300-500 words.

You are a member of Radius Federal Credit Union. How would you best explain the difference between a credit union and a bank to someone who does not know? How could being a member of a credit union benefit you or someone else you know? Also, describe your financial education in terms of what you have learned and from whom. If you weren't sure how to handle your finances (i.e. writing checks, how to assess fees, paying bills), what resources would you use to best educate yourself?
