RATE INFORMATION

Current dividend rates are stated on the *Rate Schedule*. The APY is a percentage yield that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. Savings, Money Market and IRA accounts are tiered rate accounts whose balance ranges are stated on the Rate Sheet. Once a particular balance range is met, the dividend rate and APY for that balance range will apply to the full balance in your account. A withdrawal of dividends will reduce earnings. For all accounts, the dividend rate and APY may change monthly as determined by the Board of Directors.

NATURE OF DIVIDENDS

Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

ACCRUAL OF DIVIDENDS

Dividends begin to accrue on cash and non-cash deposits (e.g. checks) the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid.

BALANCE INFORMATION

To open any account you must deposit or already have on deposit at least \$25.00 in Share Savings. Some accounts may have minimum opening deposit requirements (see *Rate Schedule* below). Savings, Money Market and IRAs require a daily balance to obtain the APY for the dividend period. If a minimum daily balance is not met, you will not earn the stated APY. Dividends are calculated by applying the daily periodic rate to the daily balance in the account for the period.

ACCOUNT LIMITATIONS

Share Savings accounts are limited to four (4) transfers or withdrawals per month to another one of your accounts or to a third party using preauthorized, automatic or telephonic means, or by check, draft, debit card, or similar order made by the member and payable to third parties. If you exceed these limitations, your account may be closed or may be charged a fee as disclosed in the *Fee Schedule*.

Money Market accounts will be charged a fee as disclosed in the *Fee Schedule* for any transfer or withdrawal in excess of five (5) in a calendar month.

The entirety of Holiday Club account balances will be paid to you by check or transferred to another account of your choosing on November 1st each year. The account will remain open. The entirety of All Purpose Club account balances will be paid to you by check or transferred to another account of your choosing on July 1st each year. The account will remain open. If you withdraw from your Holiday Club or All Purpose Club at any other time, you will be charged an early withdrawal fee as disclosed in the *Fee Schedule*. However, no fee will be charged if the withdrawal occurs within seven (7) calendar days of the date the account is opened.
